

SGM Tactical

Product Code: SGM Tactical

Availability: In Stock

Price: \$108.25

Description

These are Tactical magazines for your Glock handgun but will fit the following rifles that also take Glock 9mm magazines: Kel-Tec Sub 2000 9mm Carbine, Lone Wolf AR-15 Carbine 9mm.

To load the drum pull up on the lever to move the follower down and insert a single round in the tower, release the lever and repeated until 50 rounds have been loaded. Insert the drum on a open slide/bolt.

If bolt is not open you will damage the locking slots on the drum tower.

• Capacity: 50 Rounds fits all Glock 34, 17, 19 & 26 models • Caliber: 9mm •
Construction: Polymer/Steel • Made in Korea.

This quality drum for Glock firearms is constructed from steel and polymer. They will work with all generations of 9mm Glock's including those with ambidextrous magazine releases.
