

Ruger LC9

Product Code: 3200

Availability: In Stock

Price: \$399.44

Description

Great concealed carry gun in 9mm! The LC9 is a double-action only, hammer-fired, locked-breech pistol with a smooth trigger pull. Control and confident handling of the Ruger LC9 are accomplished through reduced recoil and aggressive frame checkering for a positive grip in all conditions. The Ruger LC9 features smooth "melted" edges for ease of holstering, carrying and drawing.
