

Glock 22 Gen 4

Product Code: PG2250203

Availability: In Stock

Price: \$595.38

Description

The 4th Generation Glock brings revolutionary design changes to the world's most popular pistol. Externally, what is immediately apparent is the multiple backstrap design of the frame, which can be instantly adapted to small, medium, and large frame hands. The surface of the frame is the Generation 4 Rough Textured Frame. Internally, the Glock dual recoil spring assembly substantially increases the life of the system. A reversible magazine catch, changeable in seconds, accommodates left or right handed shooters. The Generation 4 frame retains the Glock accessory rail for accessory attachment.

Specification

Firearms	
Action	Double Action
